THE NATIONAL REPUBLICAN is published daily (Bundays excepted) by The National Republican Printing and Publishing Co.

No. 1308 E Street Northwest.

NATIONAL REPUBLICAN As communications for publication should be brid, plainly written, and only upon one side of the paper When anomalous they will be neither real more through the period and manuscripts will not be preserved nor returned.

Mr. D. DAVIDSON is the Agent for the receipt of Advertisements and Subscriptions for this Paper, and also for the Collection of

Largest Legitimate Morning Circulation in the District.

WASHINGTON, APRIL 30, 1880.

TILDEN has not yet withdrawn, but he

THE Charleston News and Courier truthfully says: "When the colored people vote mental in putting the finishing touch upon "highest hopes and fondest aspirations."

eral O. O. Howard be placed in command what the Readjusters and the Republicans at West Point. If not, then why not? The are sighing for, and it would seem to be a General has an armless sleeve, a generous pity if they cannot pool their issues on the heart, a keen sense of right and is not iron- National question long enough to get up a clad against the "nigger." These, with a first-class funeral for the Bourbons, and finished military education, would seem to make it thorough and decisive. If this is a make this appointment one fit to be made "vulgar dicker," then anything to best if a change is to occur in the commanding Bourbonism is "vulgar," and all undergestions will not count.

slaves at the foot of Bunker Hill monument, a third term will barst up the Republic and publican party is not strong enough to perappreciate Confederate scrip. This acces- form that service by itself, why then solicit sion should be hailed by the anti-third-term- the kind aid of any hand that will join in agants, for it is the most potent objection this funereal exploit. It is to be regretted yet urged from that side, and still it is as that the Republican party is not strong hollow and senseless as the anti-third- enough to accomplish this work alone, but termers are malignant and unscrupulous in as it is not, why let the necessary agencies resorting to "ways that are dark and tricks be secured through any means not dishon "that are vain" to render Democratic rule est or corrupt. Let it be done.

THE last Harper's Weekly foreshadows the

opinion favorably by argument such as until the late State convention was held, Senator Garland advances. Each party when an explosion was anticipated. would move carefully and with a true cona drop of devy in the desert of Sahara.

in several important States yet to hold their assemblage of warring elements in their conventions. The bulge of the BLAINE boom front that they had met at that point has been, perhaps, prematurely reached by whereoverdoing it, and the smaller end is being approached gradually. Fair play is always the decent thing. According to the Inter-Ocean's figures the canvass for delegates to grees and beautifully less to the end.

have justified a veto, but which the Presi- ranks and move on shoulder to shoulder in dent found so inconsequent that he could the work of holding the State fast in the safely conclude that it really meant noth-embrace of Republican power. which it has taken five months to pass, is still in the hands of the President, who "lowstone National Park to the Secretary ing. The very immediate deficiency bill,

their other moulties. They work and vote riskly enough in committee, but when a matter reaches the main body there comes certain unwillingness to act decisively. Never were party lines more strictly drawn nd never were the orders of King Canens nore willingly obeyed, yet the majority forbids debate and hesitates to vote.

Those who have feared that under this naction was concented some deep, dark scheme to capture by force and fraud the next Presidency may possess their souls in peace. There is not the brain to plan or the courage to execute. The country may rest in tolerable security upon the fact that

the Democratic party in Congress, however wicked in intention, is incompetent of acion-paralyzed, in fact,

THE Lynchburg Firginian is in a frame of mind over the Staunton convention. Nothing pleases it, and very likely nothing will please it, that is done in Virginia so long as its Bourbon idols are in danger. Its atest grief arises from the fear that "a vulgar dicker" may be made between the Republicans and Readjusters on the question of continues to gather in the delegates all the the next Presidency. It would be sad, indeed, if there should be a coalition or concert of action between the Republicans and Readjustthe cemeterial vestments of Bourbonism in that State. The disposition of that party THE Buffalo Express suggests that Gen- in a quiet and perpetual resting place is officer at West Point. Pephaps there is to stand that the New York Tribune is strongly be no change, and if so, of course these sug- in sympathy with the party most likely to be injured by a "vulgar dicker" in this instance, especially if the electoral vote of THE unreconstructed and won't-be-reconthe State should be cast for General GRANT structed Confederate General Bos Toomss, through that agency. We have no conwho long ago proposed to call the roll of his centment of our views on the abstract quession of burying Bourbonism in Virginia. It now declares for GRANT for the reason that should be put out of sight, and if the Re-

THE CEMENT OF THE SOUL. Pennsylvania has two distinguished coming storm, provided it is provoked, and statesmen of the Demogratic persussion, the Democrats are rejoicing in the prespect. who for years have been creating chasms A day or two ago a prominent Democrat in between themselves and their respective this city told a friend, who had formerly followings, until the highest art of bridge been a Democrat and he still supposed him building seemed to have been builded in the to be one, that Nasr had mapped out the Democratic line of battle and revealed a connections. These chieftains of hostile specimen of their ammunition in case the class were Hou, WILLIAM A. WALLACE, of man of magnetism should be nominated, the United States Senate, and Hon. Samand he added: "Our magazine is full." His UEL J. RANDALL, Speaker of the House of friend then, in reply, asked: "Who, as a Representatives, and their estrangement candidate, have we the most to fear from ?" seemed to have assumed a chronic form "Well," he replied, "GRANT. We cannot that defied the powers of healing. In "hope to beat him, but we can whip any point of ambition, hatred and hateful "other candidate named easily. We feel methods of disagreement, they appeared to assured GHANT is the strong man of the be well matched, as they are in ability, "Republican side, and we shall dread to which is about the average to be found "come in contact with him. If he is put among Pennsylvania Democrats. Neither "aside we are all right." This is a roflex are intellectual giants, but both possess of the true inwardness of the Democratic a sort of tact and counting which in that party often passes for talent and statesman-SENATOR GARLAND has written a letter ship, and which is counted in that mart as in opposition to an amendment to the greatness. These men have been in a flerce Constitution of Arkansas, now pending quarrel. What either might want the other before the people, prohibiting the levy was sure not to want, and in this way they of any tax to pay interest on a large had learned to hate and despise each other proportion of the bonded debt of the State. with a cordiality that spread as pertina-He thinks "the adoption of the amendment clously as the Canada thistle until, both had "would be an empty and a foolish act, futile their followings, and the quarrel expanded "and disreputable." Nevertheless, we think so that the party was made up chiefly of it will be adopted overwhelmingly in bandaged sore-toes and sore-heads. Kan-Arkansas. If there were two vigorous, DALL was for TILDEN, and WALLACE was unawed political parties in Arkansas there for another-certainly not for RANDALL'S would be some prospect of affecting public man-and thus the claus worried each other

Here a surprise was in store for public servatism upon such questions. But with delectation. Under some power the thought the Republican party practically suppressed of a reconciliation between these hostile and the Democratic party in consequence chiefs was generated, formulated and made dominated by its most ignorant, selfish and practical, for at the opening of the State violent elements, such letters as Senator convention a dramatic scene was enacted GARLAND'S will fall as unregarded as would between these two Democratic clausmen in the presence of their followers, who were eyen then regarding each other with evil Some of the BLAINE guns which have eyes. WALLACK and RANDALL walked been blazing away at General GRANT so hand-in-hand together to the front of the fiercely, have become overheated and their platform of the convention hall, looked fire slackens—then their recoil is beginning each other in the eye, smiled a sweet smile, to be folt very seriously, as will be shown embraced, looked happy, and taught the

"Like to a double charry securing parted, flut yet a union in partition. Two lonely berries woulded on one stem; So with two securing balles but one heart."

Then followed a scene that beggars dethe Illinois State convention is progressing scription. Greasy caps were thrown in very satisfactorily. The count up to this time the air-men who had not spoken for years stands 98 for GRANT and 41 for BLAINE, embraced, kissed and melted into tears, It contends that GRANT's lead to the end which soon merged themselves into amiles will be at the rate of four to one, and yet at an adjacent grocery. Everybody was the BLAINE bureaus are claiming the State happy, and the Bourbon flood of genuine for their chief. BLAINE will carry Illinois Democratic affection flowed like water, each as he did Ohio-on the shoulders of another quaff cementing more strongly the herecandidate. The malignant policy will not tofore broken edges of the bowl of friendwin. The taper in the affair has been ship. It was a touching scene for the reached, and it will grow smaller by de- actors, but upon the outer political world it will have no more effect than a gust To-DAY ends the fifth month of the pres- to Cougress again to take his seat on the of wind. It may possibly return RANDALL ent session of Congress. With a decisive floor, but it will have no more power to majority in both branches the Democratic clevate him to the Speaker's chair than party has failed to perfect a single measure WALLACE will have of being returned to of real importance to the country, and has the United States Senate by a Republican only in the last week of the fifth month Legislature. While the Democrats are passed one regular appropriation bill—even mandlin over their re-comented friendships that with a political rider, which would the Republicans of Pennsylvania will close

may well healtate to sign a bill which itself "of the Interior, by P. W. Nonnis, superintendexercises the veto power, and without repealing any law declares that no officer
shall be paid for discharging his sworn
duty in enforcing such laws.

"ent." The report has very interesting account
the stablishment of the headquarters of
the superintendent at the mammoth geysers,
and of the subsequent explorations within the the park in enforcing such laws.

This is about all that has been done, and to tourists who may desire to visit the park these two things have been done badly, and many evidences of the careful and ener-There seems to be a sort of paralysis in the getic character of the superintendent's labor. Democrats who are responsible for legisla- Over a thousand persons from all parts of tion. The embargo put upon the tongues America and Europe visited the park during

of the brigadiers seems to have affected all 1879, among them a large proportion of artists, scientists and other literary men. An appropriation of \$20,000 is urged for the continuation of improvements, further construction of roads, the preservation of timber, mineral deposits, natural curiosities, and for the protection of the herds of large game new making the park their resort.

POLITICAL NOTES.

ALEX, STEVENS says that the people love Grant or his "horse sunse."

THE South Carolina delegates were instructed r Grant by a vote of 18 to 22,

Tire Pennsylvania delegation to Cincinnati lands eighteen for Tilden to forty for the field. THERE was actually a Greenback State conver ion in Indiana yesterday. This is not a cannot. The paralytic of Gramercy Park reached out and gripped Connecticut. There is life in the old mun yet.

THE mayor of Sumtor, S. C., elected last weak, i a Republican, a white man, and the Demogratic wardens elected are being urged not to serve with the mayor as the only remedy.

Title new form of "squatter coverelgity" which ook shape in Londville day before yesterday is ikely to render a further discussion of the Uis ill by Congress unnecessary.

SQUIRE BILL McMULLIN goes to Cincinnati from on Randall's district. The Squire is for Tilden, course. It is evident now that Bill McMullin oft his revolver at home when he went to the invisioning convention, because he knew that he ouldn't need it.

ONE would think to read the Springfield Republic or and Harper's Westly that no fragment of Grant's Iministration could be found within the purified spartments of the present regime. But in fact cost of Grant's appointers are still in office—not a ingle one having been removed by Haves because of any dishonesty, but to pay political debts. The cruth is, Grant purified his own administration; and every man whom Grant dismissed is for Blaine, and the same may be said largely of those whom

Hayos has removed GOVERNOR WILLIAMS having declared the adopon of the constitutional amendments voted on in adiana recently, the Republicans feel sure of mining in the coming city elections. The full re-orns of the late election show that the Republians had a majority in the State of 5.164 votes, or a ear. In addition to this apparent Republican min, the election machinery in several important Semocratic cities has passed into their hands, and they are likely to make other similar gains in the approaching elections. Indiana will begin to ssume the appearance of a doubtful State before

Proposals from manufacturers only will be considered. Builders of the "OTIS" Steam and "HALE" Hydraulic Passenger and Freight

ELEVATORS

During the past twenty-five years we have constructed the greater part of the first-class Elevator work throughout the United States. Our Washington work may be seen at the U.S. Capitol, the War and Navy Building, Treasury Building, Corcoran Building, Ebbitt House, Willard's Hotel, National Hotel, Evans' Building, Motropolitan Hotel, Hamilton House, Republican Building (Census Bureau), Government Printing Building.

We have erected in New York city, and elsewhere, a simple and safe PRIVATE HOUSE HYDRAULIC ELEVATOR, readily operated by a lady.

We are building the Hoisting Machinery to be used in the construction of the WASHINGTON MONUMENT, capable of raising a load of nine tons to the height of 500 feet. After the completion of the Monument this machinery will operate a Passenger Elevator.

OFFICE

619 NINETEENTH ST. N. W.

Lung, Chest, etc. Dr. von MOSCHZISKER'S REPUTATION is now fully established. He has already accomplished sufficient to satisfy the most skeption that advertising with him is a new medium to call attention to the diseases specially trouble by him, and the amount of his SUCLESS IN THEM.

DR. VON MOSCHZISKER can, without egotlars, state that he is the best known SPELIALIST throughout the Northern and Eastern States. Having resided for fourteen years in Philadelphia, he has treated with great success the best known public men in the country.

Corns, Budions, Diseased Nails, Vascular Excresences, Chilbiains, and all other Aliments of the Feet Successfully Treated.

DR. WHITTER.

NINETEENTH CONSECUTIVE YEAR OF PRACTICE IN WASHINGTON, D. C.
His establishment, 14th FENNSYLVANIA AVE, (Opposite Willard's Hotel), 1s Patronized by the Eute of the World.

OFFICE FEE, 81 PEEV 1811. From Senator Voorhees. I thank you very sincerely for the relief I received from your treatment of my hearing, which has been seriously impaired, the result of an excessively sever-cold.

D. W. VOORHIEES.

Restoration of Hearing.

Dr. von Moschvisker's treatment in my case—caserh and deafness—proved a perfect access. I think but a just tribute to him to make it knows to all the need if a molecular review that I have the utmost outdonce in his professional shiftles.

National Brass Works, Washington. DEAR SIR: By the advice of Senator Voorbees I placed myself under your treatment for a case of throat disease and sead outern. I have reason to be entirely satisfied with the result of your skill, and you are at liberty to refer any one to me.

Chief of the Redemption Division U.S. Treasury Office.

To the Deaf.

varia avenue. EXTRACT TEFTH UNDER M. 214 Four-and-is-half stress varia avenue. EXTRACT TEFTH UNDER M. WITHOUT PAIN, for all sach tooth without gas, 30 cents each tooth. ARTIFICIAL BURSTIN, ff per set. Gold and Amigam Fillings Inserted. All work warranted first-class. Ir. E. P. HOWLAND has administered Nitrous Oxide to over \$2,000 persons. I have been very deaf in both cars, so much so that semectimes persons were obliged to hold written intercourse with me. I also suffered from intoleration noises in my head and from calarrii. Four months ago I applied to Dr. von Moschatsker, at all Nineteenth street northwest, who, after careful examination, encouraged me in the belief that my hearing could be restored. I placed myself under his care he attended me faithfully, and to my own surprise and that of my friends sind of the various societies to which I becomed, my hearing is restored to me. All symptoms of calarri and noises in the head have disappeared, and his success in the year have disappeared and his success in my case has exceeded my mest sangoline expectations. My gratitude is beyond as pression. I have fitted up, with special reference to Dentistry, the pleasant and contrally located rooms, No 7h Four-teenth street, corner New York avenue, where I am prepared to perform all operations on the natural locit with care and satisfaction. Artificial teeth of every kind and grade inserted. Nitrons Carle for the extraction of teeth, \$1. Three lines of care page the door. y mest sangulue expectations. My gratitude is to ad appression. FRANK GELER, 113 Seventh street northwest. Washinoron, 17th April, 1881.
